

Reiki Attunements

Qualifications required are the desire to Learn

(Japanese) *Rei = universal wisdom Ki = life energy*

Reiki is a non-intrusive therapeutic treatment, scientifically proven to support personal growth, providing the individual with a tremendous sense of wellbeing through deep relaxation.

Do you want to learn the easy and invaluable art of Reiki for yourself and our loved ones? Also **perfect for pets**. It can help a person to heal the past and alleviate worries about the future.

The Federation of Holistic Therapist (F.H.T) reported in their magazine in 2007 that Reiki does help **cancer related fatigue**.
